We know fine print can be painful, but we believe it's important for you to have all the facts! (1) Advertised prices are valid through October 31, 2017 at participating locations only. Other charges may include applicable taxes, processing fees, and a liability waiver fee. Photography is representative and may be enlarged to show detail. Not all merchandise is exactly as pictured or available at all locations. Each store may have a different selection. Merchandise may be new or previously rented. Offers are good on selected merchandise and only while supplies last. This is a rental purchase transaction with an option to purchase. Ownership is attained only after the maximum number of rental renewal payments are made or the purchase option is exercised as prescribed by the rental purchase agreement. Total Cost does not include a one-time processing fee of \$7.50 - \$20 (varies by store - ask for details), optional liability waiver, sales taxes or other optional fees. (2) 6 months same as cash offer applies to lease agreements over 52 weeks and requires the purchase of the club program. Offer applies to the cash price and must be paid in full within 6 months to qualify. Scheduled lease payments must be paid during the 6-month period and will be used as a credit against final payment. (3) The referred must name the referrer for both offers to be valid. The referrer will receive \$50 credit towards their next payment of a single active agreement after the referred has made a second rental renewal payment. The referrer may choose to receive \$25 cash instead of \$50 credit. All payments, fees, and taxes for all agreements must be current and account active. The referred will receive 1 week free from rental payments on a new single lease item after a minimum of 1 rental renewal payment has been made. 1 week free not to be used as the first payment, no cash value, cannot be combined with any other offer, and does not include other charges such as applicable taxes, processing fees, and a liability waiver fee. All new accounts must be verified and approved by the store manager. Some restrictions may apply. Ask or call 855-443-3279 for details.

6 months same as cash.²
6 meses para pagar sin intereses.

With no credit needed and a customized payment plan.
